1. ELIGIBILITY

This program is available only to Resellers located in England, Scotland, and Wales. Participation is subject to these Terms and Conditions and applicable UK law.

2. Discount & Pricing

The promotional discount listed in the promotional communication is Vertiv's recommended reseller discount (hereinafter: discount), therefore Vertiv and the Distributor shall not be considered bound by it. The final price offered to a Reseller shall be subject to the Distributor's quote.

The Discount is intended to be provided via personal quote only and not in the Distributor's online shop. To request a personal quote based on this Promotion contact your preferred Distributor directly with the code 'Power-Swap Program'.

The Discount is based on the official Vertiv Standard Channel Price List for the UK and cannot be combined with any local promotion or agreement. Prices are subject to local regulations; therefore, additional fees are possible. Contact your preferred Distributor to receive the final price offer

4. Ownership & Assesement of Trade In Units

Ownership of the UPS unit(s) being traded in remains with the customer until Vertiv has:

i. Completed the required assessment at Vertiv Sheffield, and
ii. Verified that the unit(s) shipped match the details provided in the submitted trade-in form.

Any units that do not align with the details specified in the trade-in form will be returned to the customer.

5. Courier Collection

- All collected units must be prepared and managed by the customer, including the use of correct packaging suitable for haulage.
- Vertiv will arrange the collection of the units based on the details provided by the customer during the trade in registration process. Failure to provide accurate collection details may result in a missed collection.
- All charges associated with a missed collection will be the responsibility of the customer.
- If a courier fails to collect the old UPS three (3) times, the associated courier costs will be charged to the customer at the rate determined by the courier.
- Vertiv is not liable for damage caused by inadequate packaging by the customer.

6. Data Processing

- Personal data collected for this Power-Swap Program will be processed in accordance with applicable data protection laws and Vertiv's Privacy Policy.

7. Final Provisions

- The Program is valid until 01 October 2026. This is the last day to place an order.
- The program communication forms part of the T&Cs. In case of discrepancies between these T&Cs and the promotional communication, these T&Cs shall be applied.
- Vertiv reserves the right to amend and cancel this Promotion at any time. A notification about it will be sent by email and the respective amendment and cancellation shall be considered final and binding from the day the notification was sent.
- Nothing in these Terms excludes or limits liability where prohibited by law.
- Contact your preferred Distributor to receive the latest information regarding this Promotion.
